### **93. Feedback from last APC meeting**

- (i) On advice from the NHPSG, it was decided to object to the LOAN proposals in SNC Draft Plan 2A.
- (ii) Money allocation for a NHP banner and flyers was approved.

### **94. Village consultation of Draft Plan** - see Para 92(i).

### **95. Green Spaces survey**

We thanked Sandra Lemon and her 2 helpers for the hard work put into the survey and accepted their report. Other than the observations that the Church Cemetery is already a protected space, and the MORC should rather be protected by designating it as a Village Asset rather than a Green Space.

It will be submitted for inclusion into the Neighbourhood Plan.

The report is listed on the APC website - Neighbourhood Plan/Supporting Documents page, or click [here](#).

### **96. Groundwork Grant - final phase**

We have enough funding until March 2018.

The 2 current applications for funding have been provided and used, and the final part will arrive in April 2018.

### **97. Items for next meeting**

- (i) Flyers to be ready and available for delivery.
- (ii) Create schedule of public consultation dates.
- (iii) Create an online form on the APC website for easy response.
