There was a discussion about the relevance to future development of some responses, rather than general PC matters. It was decided to agree on more development-orientated questions to ask respondents.

105. Further village & other consultations

A timetable of future consultation exercises will be advertised in the AVN, along with links to the Draft Plan etc. when available (see Para 102.1 above)

Also there will be a request for any other Ashton businesses to contact us so they too can be consulted.

Knights Hall Saturday 18th February, 10.30am.

There should be a public event, perhaps on the green in the Spring.

We noted that the Pub owners have not yet been approached for comment.
